

# All you need to know about AICTE full form & There logo

# About AICTE Logo:

- About AICTE Logo:
- The [AICTE logo](#) is a stylized depiction of a 'Diya', a traditional Indian oil lamp symbolising knowledge and enlightenment. The flame of the lamp represents the fire of knowledge and the pursuit of excellence in technical education.
- The [AICTE logo](#) is used on all official documents and communications of the organisation. It is also used on the websites and social media pages of AICTE and its affiliated institutions.
- The AICTE logo is a simple but powerful symbol of the organisation's mission and values. It is a reminder of the importance of technical education in India and AICTE's commitment to excellence in this field.

# AICTE Full Form and about AICTE

- **About AICTE:**
- The All India Council for Technical Education (AICTE) is a statutory body of the Government of India set up in 1945. AICTE's primary mission is to promote and regulate technical education in India. It is responsible for planning, monitoring, and regulating technical education in the country. It operates under the Department of Higher Education & Ministry of Education.
- AICTE has over 3,000 member institutions, including engineering colleges, polytechnics, and management institutes. It also has a network of regional offices across the country.
