July'17 Newsline

| NDIM Organized an International Faculty/ Management Development Program | | |
|---|--|--|
| Date / Venue | 1st July 2017/ NDIM campus | |
| Key Speaker | Dr. Anil Behal, CEO, Orgdyne Training and Consulting LLC, USA | |
| Participants | NDIM faculty and staff | |
| Key Issues Addressed | At a workplace, negative capability can create an intermediate space that enables one to continue to think in difficult situations. Where positive capability supports "decisive action", negative capability supports "reflective inaction", that is, the ability to resist dispersing into defensive routines when leading at the limits of one's knowledge Resources and trust. | |
| | Hence, NDIM organized the workshop to learn the latest research in this field and connect the organizations and their key personnel and academicians to the new phenomenon world over. This interaction provided deep insight into the emerging strategies into this important priority area of organization. | |
| | | |
| NDIM Senior Facul | ty attended 'Subir Raha Memorial Annual Lecture' on "Meaningful | |
| Corporate Governa | - | |
| Date / Venue | 4th July 2017/ Urja Bhawan, Delhi | |
| Key Speaker | Mr. Meleveetil Damodaran, Chairperson, Excellence Enablers | |
| Participants | NDIM faculty and students | |
| Key Issues Addressed | He said, one should not make new regulations every time anything goes wrong, instead defaulters under the rules should be caught. He also encouraged that one should say the right thing at the right time. He concluded by saying people need to be trusted. | |
| | NDIM faculty invited Mr. Meleveetil Damodaran to visit NDIM campus and share his experiences with NDIM students | |
| | nanda, Co-Founder, Phoenix Force Consulting and India Net Work for | |
| Guest Lecture at N | | |
| Date / Venue | 6th July 2017/ NDIM campus | |
| Topic of Lecture | Becoming an Entrepreneur | |

NDIM Students of PGDM batch 2017 -19

Participants

| Key Issues Addressed | Entrepreneurship is about achieving one's goals. It is about taking responsibility. Every opportunity to carry out a task is an opportunity to take responsibility. Only you can motivate yourself – no one else can. Find a strong purpose for being an entrepreneur. Learn every day. Promise to overcome fear. During question and answer session, NDIM students asked a few questions * How to become a successful entrepreneur * How to deal with failure * Leadership skills | |
|--|---|--|
| NDIM students visi | ted Mother Dairy | |
| Date / Venue | 6th July 2017/ Delhi | |
| Participants | NDIM students of PGDM batch 2017 -19 | |
| | To understand the business world beyond books, it is vital to organize regular exposure to working environment to correlate their classroom learning with the practical scenario. | |
| Key Issues Addressed | NDIM students had an opportunity to view and understand the operations of different processes using varied techniques employed in Mother Dairy plant. Also, the visit created awareness among the students regarding the containers, packing units, logistics, quality check and control panel being used currently. | |
| Ms. Divya Miglani, | Consultant, NDTV at NDIM | |
| Date / Venue | 7th July 2017/ NDIM campus | |
| Participants | NDIM students of PGDM batch 2017 - 19 | |
| Topic of Interaction | Look for passion that drives you | |
| Key Issues Addressed | She explained the media industry to NDIM students- how to advertise on the channels, role of advertising agencies, TRP dominates the show etc. She spoke about the need of channels to approach clients and how viewers impact the media to decide what and how to show and deliver. | |
| Mr. Rajiv Gupta, President and Group CEO, Credforce America Inc. at NDIM for Guest | | |
| Lecture Date (Venue | 01. 1.1. 2047/AIDINA C | |
| Date / Venue Participants | 8th July 2017/ NDIM Campus | |
| Topic of Interaction | NDIM students of PGDM batch 2017 - 19 What Corporate looks for | |
| Topic of Interaction | What Corporate looks for Students' curiosity regarding the expectations of recruiters in the field of analytics was | |
| Key Issues Addressed | properly resolved by Rajiv Gupta by explaining what exactly the corporate world looks for. He advised the students' community to be emotional about their work and business process. He explained how conventional degree program differs from the professional program like PGDM. He emphasized that students must be passionate about their professional life and students must give more weightage to learning than earning in the initial phase of career. According to Mr. Gupta acceptable communication does not imply merely good English, but it also considers professional attire, body language and proper delivery of message. | |

| | To bring work life balance one needs to work harder to the extent that it keeps his/her personal life balanced. Students put many questions like the importance of choosing specialization, how to earn high salary, definition of entrepreneur, etc. Taking all sorts of questions Rajiv Gupta stressed upon the fact that there is no short-cut to hard work. He explained about the major shift in working life style because of digitization. |
